

## Llangadog, Llandeilo & Llandovery Mens Shed 04

### Corona Virus

Presently we are looking for any interest within Llangadog, Llandeilo, Llandovery and the surrounding area for a Mens Shed. We are restricted on what we can do at present due to Covid 19 but it doesn't stop us recruiting shedders. If you know of anyone who might be interested then forward this newsletter on to them. The more shedders the merrier!

### Premises

There has been a lot of work on shed 1 this week so there are more photos as it is easier than trying to explain the progress in words.

Shed 1 & Wood

Wood For Structure & Posts

Stripping Timber

Old Timber & Nails

Removing 100's Nails

Chipboard Layer

Felting

Starting 2x1 Battens

## News

It is our ambition to update and send this newsletter to all members at least once a week as things progress with the sheds so that you can feel part of the process even though you cannot attend at present. It will show the progression of work on the sheds and anything else of interest. If you wish to contribute an article then please do so.

The update of shed 1 has progressed in leaps and bounds. The carpenter has removed two sides and put up chipboard sheets and then covered them with felt to protect the contents of the shed from the weather. This will also act as a vapour barrier. We then started to attach battens which the log cladding will be nailed on. We are still waiting for delivery of log cladding, insulation, slates, as well as windows & doors which is somewhat frustrating. Keep your fingers crossed!

A big thank you to Peter (Shed member) for his help with the ongoing work including helping to clean out shed 2 and spending hours pulling nails out of the original shed cladding so we can re-use it for internal walls. Also his gardening advice is badly needed!

Welcome to Iain Liversedge a new member since the last newsletter. We will try to keep the members details updated as it is important that we keep in contact with all members to ensure everyone stays healthy and safe.

If you feel you would like to help then please contact Mike on 07585 226555

## Shedders (\*\*Please promote the shed\*\*)

Mike Timewell - Chairperson - 07585 226555  
([welshlegend@icloud.com](mailto:welshlegend@icloud.com))

Jemma Morris - Secretary - 07802 685831

([roddyredhat@gmail.com](mailto:roddyredhat@gmail.com))

## Zoom Video Conferencing

Llangadog, Llandeilo & Llandovery mens shed had its very first Zoom video conference where some of the members saw each other for the first time. There were 3 members present and nearly 4 at one stage. A big thank you to Jemma (Secretary) for setting this up. This proved to be a good way of getting to know each other virtually before we can actually meet up once restrictions are relaxed.

Please feel free to suggest a topic for our next Zoom meeting.

## Projects Suggested To Date

Gardening  
Wood Working  
Computers  
3D Printing  
Motorbikes  
Quad Bikes

Looking at the suggestions to date perhaps have one shed as a workshop for wood working or motorbikes and the other for cleaner projects like 3D printing or electronics.

All ideas are welcome - Whats your **passion**???
